

TIMCON Associates in collaboration with JKUAT and AIMSUN of Spain

Invite you to

TRANSPORTATION MODELLING TRAINING & EXPO

Event Objective

TIMCON Associates in collaboration with **Jomo Kenyatta University of Agriculture & Technology (JKUAT)** and **AIMSUN** of Spain, developers of the AIMSUN modelling software is pleased to invite you to a 3-day Transportation Modelling Training and Expo in Nairobi, Kenya.

This event will provide an introduction to transportation modelling focusing on micro-simulation.

Participants will learn fundamental concepts of modelling and why it is a necessary analysis approach to complex transportation systems. It will also provide an opportunity for participants to be exposed to and try out the AIMSUN modelling software.

Event Details:

Date: 19th - 21st June 2019

Venue: Sarova Panafric Hotel, Nairobi, Kenya

Cost: \$600

Availability: There is limited number of spaces, kindly register by **June 7th** to secure your space

Training Package

This training will expose the participants to basic transportation modelling concepts including;

- Fundamentals of Modelling in Transportation Analysis;
- Data Requirements for Modelling;
- Modelling Process and Application in projects;
- Case Studies where Modelling has been implemented in the region and beyond;
- Available Modeling Software; and
- Demonstration of AIMSUN Microsimulation Model.

Speakers

- **Dr. Eng Timothy Oketch**, Principal Director, TIMCON Associates
- **Prof. Z. Abiero**, Dean, Faculty of Civil Engineering, JKUAT
- **J.M Aymani**, Regional Manager, AIMSUN, Spain
- **G. Rugarama**, MSc (Edinburgh UK), Principal TIMCON Modeller
